How to get help from Mr. Ken Doo

Ask the built-in helper anything, or have him make changes for you.

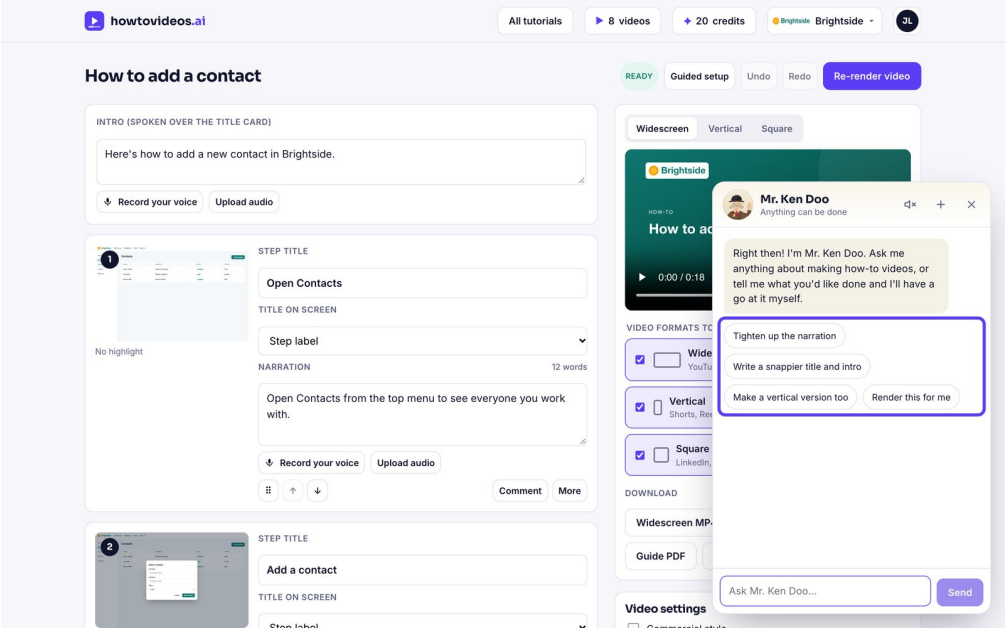

1. Open Mr. Ken Doo

Choose Mr. Ken Doo in the bottom-right corner of any page.

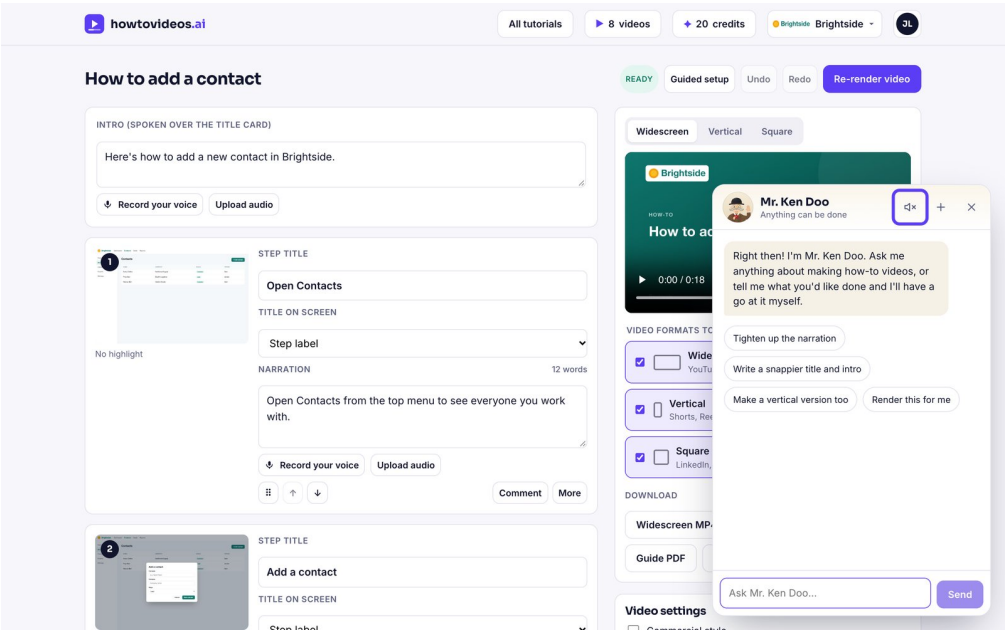

2. Pick a suggestion or ask anything

Choose a suggestion, or type your own question. On a tutorial, he can rewrite the script, change formats or render it for you.

3. Hear the answers

Turn on read aloud to hear his answers spoken.
